

Littlejohns

RESTAURANT

John McKenzie is a legend – a shining example of the little man triumphing over all.

John was the smallest of four brothers, the last to walk and talk, the last to grow. At eighteen, he stood at just 4ft tall in his socks – no wonder he was known as Little John.

The only thing Little John was ever good at was cooking. In fact, he was so good, people travelled from miles around to taste his fabulous food. Little John became famous, known to all as The Little Man with the Big Kitchen! His reputation meant that soon people were paying to watch him cook and eat his food – and so – Littlejohns was born.
